Re: Southeast Rockford Ground Water, Rockford, Illinois
TDD# 5-8909-33

Interim

Dear Mr. Heaton:

The Technical Assistance Team (TAT) at the request of U. S. Environmental Protection Agency (U.S. EPA) On-Scene Coordinator (OSC) Ken Theisen has generated letters to be mailed to 76 local residents in the area under investigation in Southeast Rockford, Rockford, Illinois. The letters present analytical results for sampling at each residence and identify the mitigative action, if any, that will be implemented at that residence. The letters were provided to the U.S. EPA on November 9, 1989.

Should you have any questions or require additional information please feel free to contact us.

Very truly yours,
